(A UNIT OF SHIKSHA NIKETAN)

**"WALKS on the beach, Days in the Sun,  
Swims in the ocean, come on everyone!  
The sun is burning at 90 degrees,  
There's lot to discover, you just wait and see.  
You know you enjoy it, whether you are younger or older  
So, have a good time, before the weather gets colder."**
