

SHIKSHA NIKETAN SR. SEC. SCHOOL JEEVAN NAGAR, JAMMU Session (2025-26)

HAPPY HOLIDAYS!

Time for some holiday fun
Time for some play,
Summers are the time to chill,
And play a lot with clay.
Castles in the sand for sure,
Sunblock would be the only cure,
In the summer's heat,
Happy Summer Season!

AS PER GOVT.

Summer vacation is a great opportunity to bond with your child and encourage healthy habits like cycling, drinking water, and eating fruits and vegetables. Use this time to help your child engage in meaningful activities that combine fun and learning.

These thoughtfully designed tasks will help children grow mentally, physically, and emotionally while enjoying their break.

Dear Students

Summer vacation is a time we all eagerly look forward to! It's a season of fun, play, picnics, new adventures, and exciting TV shows. However, you can also make it more meaningful and enriching.

This year, your holiday homework is designed to be a creative and fun way to "Learn while having Fun". These activities will boost your curiosity, creativity, and knowledge. It will help you become more confident, skilled, and ready for the year ahead.

Summer Tips to be Followed:

- "A healthy mind resides in a healthy body" Prioritize your health by going for walks, drinking water, and eating nutritious food. Avoid junk food.
- Read newspapers, novels, blogs, and stories to improve vocabulary.
- Explore hobbies like cooking, singing, dancing, art, gardening, cycling, swimming, trekking, and more. Share these experiences with loved ones.
- Spend quality time with parents and grandparents. Talk to them about their school days and experiences.

Dear Students and Parents,

Please follow the general guidelines below while completing the holiday homework for the subjects: Hindi, English, Science, Mathematics, and Social Science.

General Instructions:

1. Subject-wise Submission:

Written homework for each subject must be done separately in well-maintained subject notebooks.

2. Neatness and Presentation:

All work must be completed in a neat, legible, and presentable manner. Handwriting, cleanliness, and organization will be assessed and graded.

3. Assessment Criteria:

Students will be evaluated on:

- Handwriting
- Presentation
- Neatness
- Completion of assigned tasks
- Proper indexing
- 4. Vocabulary Enrichment:

Enhance your vocabulary by learning new words from both Hindi and English textbooks.

5. Pacing the Work:

Enjoy the learning process. Do not attempt to complete all tasks in a single sitting. Plan and pace your work wisely.

6. Labeling Projects and Charts: Ensure all charts, projects, and presentations are properly labelled

- Name: _____
- Class: _____

with the following details:

- Roll No.:
- Subject: _____
- 7. Originality of Work:

Avoid using ready-made projects or models. Original and creative efforts will be highly appreciated.

8. Environmentally Friendly Materials:

Do not use thermocol or plastic materials in your projects as they are harmful to the environment and health.

9. Subject-Specific Tasks and Project Work:

Students are required to:

- Complete all subject-wise assignments.
- Complete one project as per the assigned Roll Number.
- 10. Order of Completion:

Questions must be attempted in the given sequence only.

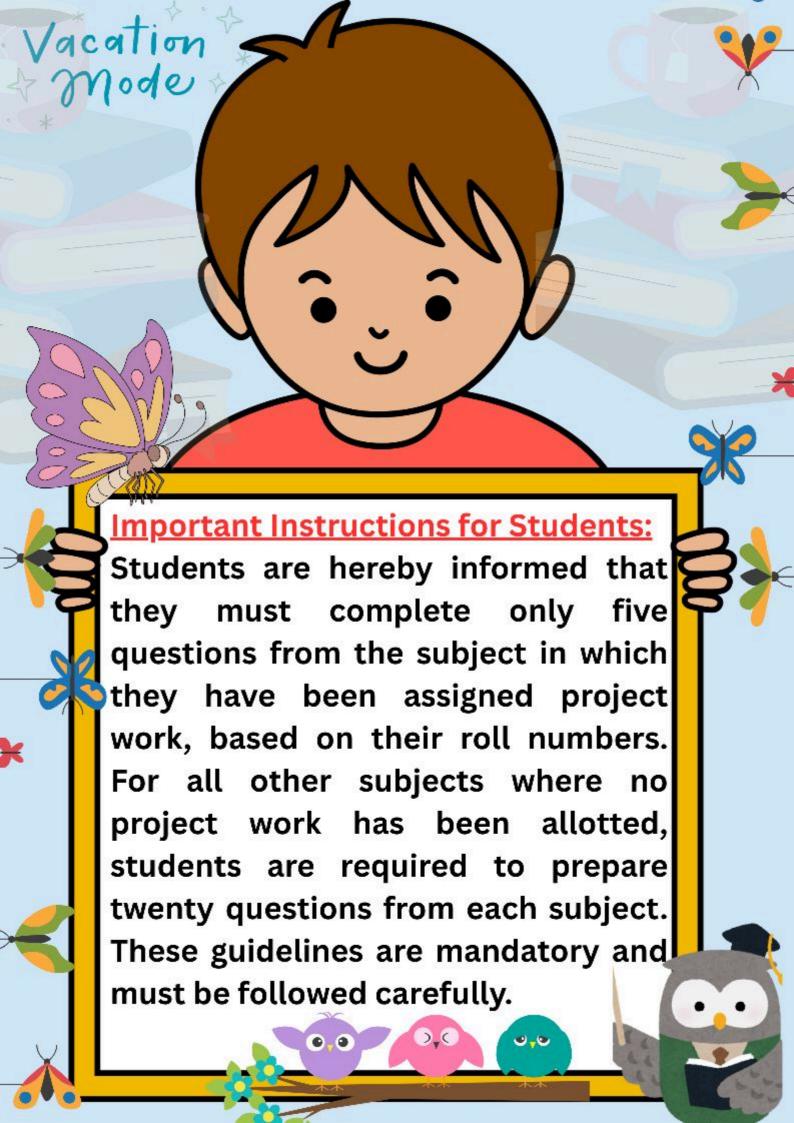

11. Revision:

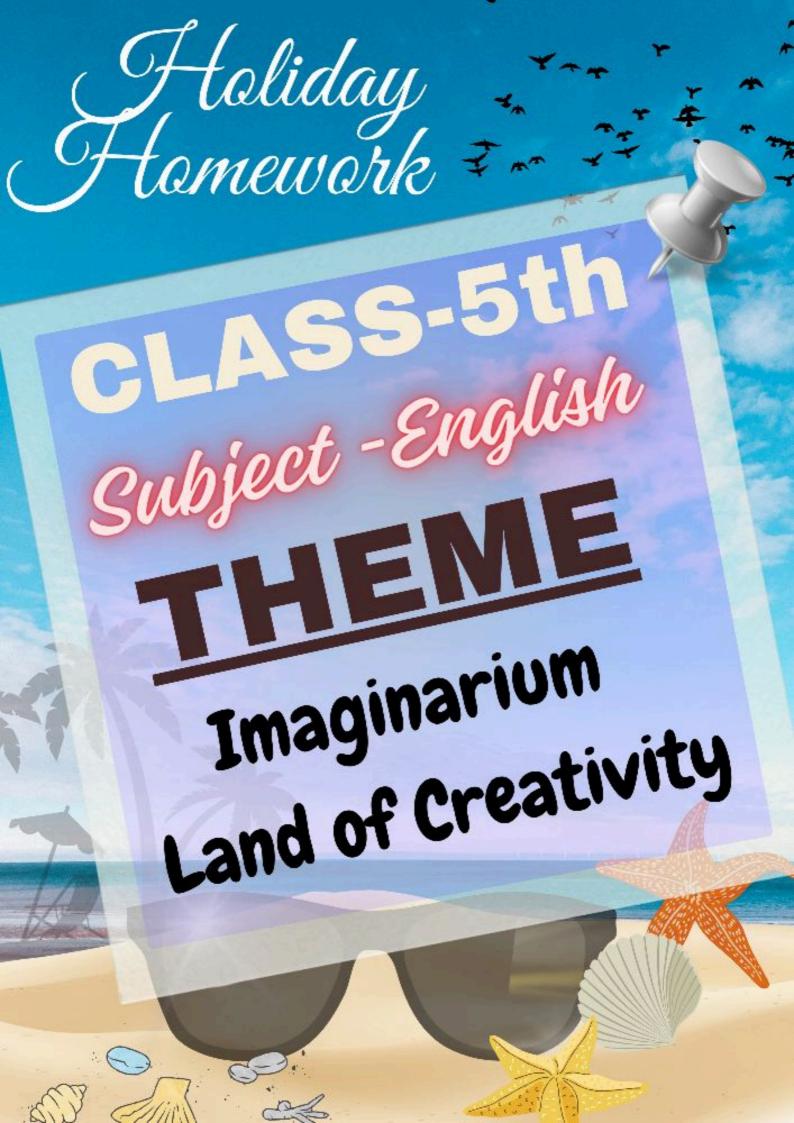

Use the break to revise the syllabus covered up to this point for each subject.

Additional Guidelines:

- Download and refer to the holiday homework pages before beginning each task.
- Ensure originality work must not be copied from the internet or any external sources.
- Submit all completed work to the respective subject teachers after the holidays.
- A surprise recapitulation test may be conducted in July.
- Parents are encouraged to guide and motivate students, but all homework must be completed independently by the student.

We wish you a joyful and productive holiday! Stay curious and keep learning.
